How to enable break-even and profit-mode alerts

In this guide: Receive an immediate text when Daily Target turns yellow at break-even or green in profit mode.

Before you start

Complete Daily Target setup for the location. These alerts use its monthly expenses, desired profit, and business-day calculation.

Steps

1. Open **Settings > Text Alert Settings**.
2. Add at least one phone-number recipient.
3. Under **Event Alerts**, enable **Break-even (Yellow Light)**.
4. Enable **Profit Mode (Green Light)**.
5. Select **Save Text Alert Settings**.

What the alerts mean

- **Break-even (Yellow Light):** Today's performance has covered the daily expense target.
- **Profit Mode (Green Light):** Today's performance has moved into the profit portion of the target.
