How to Select and Manage a Payment Processor

1. Enable online processing.
2. Open the **Payment Processor** list.
3. Select the processor configured for your account.
4. Save the setting.
5. Use the displayed management link for Dejavoo, Stripe Terminal, PAX, or another supported processor as applicable.
6. Run an approved test transaction and confirm the result returns to RepairNest POS.

Do not select a processor that has not been provisioned for the location.
