

How to complete a repair as Fixed or Cannot Fix

1. Review tasks, parts, checklists, notes, pricing, and balance.
2. Select **Complete Repair**.
3. Choose **Fixed** or **Cannot Fix**.
4. Choose whether to charge the configured diagnostic fee when offered.
5. Add final labor and a solution or completion note when applicable.
6. Confirm completion.

Completion records the repair result; delivery is a separate handoff status.
